Dear Business Owner,

Music plays a vital role in the education of our youth, Unfortunately funding from the school board is limited. Many families struggle to make ends meet, and money to pay for music education is not the priority in most families. Without the generosity of community leaders like you, our band program would not be able to exist

Your contribution to the band program at Countryside High School helps to provide music, instruments and instruction for our wide variety of programs, including Marching Band, Symphonic Band, Jazz Band, Rock Band and Percussion Ensemble.

Your support is needed more now than ever. Can we count on your support?

We are actively seeking sponsors to help celebrate the success of these dedicated and gifted students and teachers from Countryside High School. Please considered filling out the attached form to sponsor the band. Contributions can be cash, checks or Gift-In-Kind. As a 501(c) (3) organization, all donations are tax deductible. We are also happy to include your business information on concession booth signs and our website @ cougarmusic.weebly.com-- there may not be a less expensive way to reach your customers.

The Countryside High School Band program is providing our community with future, skilled employees and community leaders. We urge you to invest in their future and that of our community and the businesses that thrive here. Thank you in advance for your kind generosity and encouragement! We appreciate your support!

Sincerely,

The Countryside HS Golden Cougar Band Boosters
